HarperCollins Publishers, United Kingdom, 2016. Paperback. Book Condition: New. 265 x 192 mm. Language: English . Brand New Book. Collins OCR Gateway GCSE (9-1) Science will develop and embed the skills your students need to succeed in all three assessment objectives, while providing a clear and supportive route through the new, more challenging GCSE content. Written by a team of expert authors for the 2016 OCR specification, this book covers the whole of the new GCSE Biology course. It combines clear and comprehensive explanations with a wealth of practice opportunities, and builds the skills that students will need to succeed. \* Track students progress in the new linear GCSE course through a brand new, innovative assessment framework. Teaching is organised into four semesters that function as checkpoints. \* Each spread starts with language and ideas at a lower level and increases in complexity, engaging students of all ability levels \* Key concept spreads highlight concepts that students must grasp before they can move on \* Stipulated practicals spreads in each chapter build and test students development of the appropriate skills (e.g. analysing, evaluating and applying to different contexts) \* Maths skills are embedded throughout the book and tested at the appropriate level \* Real-life contexts and applications are included to show the students the relevance of the concepts they are studying \* Prepare students for the demands of the new specification with differentiated questions, worked examples and lots of opportunities to practice \* Co-teach both Foundation and Higher tier with a single book (the Higher-only content is clearly flagged).
