Picador, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Written with tact, sensitivity, and the right amount of style, The Big Necessity makes a passionate argument for putting sanitation at the top of the world's development agenda." Time "Superb. The Big Necessity belongs in a rare handful of studies that take a subject that seems fixed and familiar and taboo and makes us understand it is historically contingent and dazzlingly intriguing." Slate "Always articulate and persuasive. You will be hard-pressed to put this extraordinary book down." The New York Times "Rose George writes smart books about subjects we mostly prefer not to think about. The Big Necessity is among the best nonfiction books of the new millennium." Dwight Garner, The New York Times "The Big Necessity, Rose George's perfectly disquieting new book, is very good. And, quite honestly, the topic is fascinating." New York Observer "[Written] with wit and style. Valuable and often entertaining. Should become a classic." Los Angeles Times "Fascinating and eloquent." The Economist "A persuasive volume." Entertainment Weekly "Delves into the taboo subject with tact, sensitivity and the right amount of style. George introduces the reader to a fascinating and enlightening universe." Time "The weight of information that Rose George brings to The Big Necessity is astonishing. There are so many interesting stories in the book that I wanted to tell everyone about what I learned." Cleveland Plain Dealer "Full of fascinating facts. An intrepid, erudite and...
