Kids Can Press, United States, 2015. Hardback. Book Condition: New. Akiko Miyakoshi (illustrator). 256 x 215 mm. Language: English . Brand New Book. When a young girl named Kikko realizes her father has forgotten the pie he was supposed to bring to Grandma s house, she offers to try and catch him as he makes his way through the woods. She hurriedly follows her father s footprints in the snow and happens upon a large house she has never seen before. Curious, Kikko peers through the window, when she is startled by a small lamb wearing a coat and carrying a purse. Even more surprising, the lamb speaks, asking her in a kind voice, ?Are you here for the tea party? Suddenly, Kikko realizes her trip through the woods has turned into something magical. Award-winning author and illustrator Akiko Miyakoshi has beautifully crafted an original fairy tale picture book that will delight and enchant. The unique visual presentation features mostly black-and-white art with the occasional use of red or yellow to help guide readers through the pages. Kikko s blend of courage and reticence along with her inquisitive nature makes her a character children will relate to, and the many unexpected twists and turns of her adventure keep the intrigue growing. The ambiguous ending --- in which it is not clear whether Kikko imagined the tea party or if the animals simply disappeared back into the woods --- provides a terrific opportunity for children to weigh in on what they think happened. This book also could launch classroom conversations about children s own experiences of being trusted with big responsibilities.
