University of Wisconsin Press. Paperback. Book Condition: new. BRAND NEW, The Royal Baker's Daughter, Barbara Goldberg, These poems, at once elegant and earthy, reveal the inner workings of the human psyche and show us that sometimes the best defense against terror is making mischief. The Royal Baker's Daughter was raised on a diet of stone soup and the occasional leftover royal treat. This leaves her with an appetite for authenticity. With nothing but her two deft hands to guide her, she embarks on a journey into the dark forest, "where sticks and stones and absolutes reign and nothing, even sin, is original." "Fated to be fickle in food as in love. Not one flavor that she craves but a lick of this, of that. Sauerkraut and caraway, pickled beets, mutton, and leeks. This does not even touch upon the subject of sweets, for her nonnegotiable, as for others, faith. She takes her lumps of sugar straight. Or with crushed poppy seed to make a paste. Dusted over dumplings, powdered over cake. Never having swilled mother's milk, nutmeg in her coffee, black." - excerpt from "Fortune's Darling" [copyright] The Board of Regents of the University of Wisconsin System. All rights are reserved.
