Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Army Techniques Publication ATP 3-91 Division Operations October 2014 contains eight chapters: Chapter 1 briefly reviews the division's four roles from FM 3-94. It reviews the division organization from that same FM. It reviews the organization and capabilities of those brigades and other support routinely available to the division and provides references to where detailed discussions of those organizations can be found. It discusses considerations for force tailoring the division and task organizing attached brigades. It refreshes the reader of the operational frameworks available to the division. Chapter 4 discusses a division being tailored by higher headquarters for the scenario introduced in the previous chapter. It highlights many of the...
