Veloce Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Know Your Dog: The Guide to a Beautiful Relationship, Immanuel Birmelin, Most books about dogs talk about the history of various breeds, and are filled with useful training advice, yet we learn almost nothing about how dogs think and feel. Dogs are considered to be easily trained creatures of instinct, but this attitude falls short of the mark. It doesn't take into consideration that dogs are thinking, feeling beings; individuals, just as we are, with different personalities, strengths and weaknesses, and distinct emotional lives. The aim of this book is to have dog owners get to know their companions from a different perspective, through simple routines and games that can be carried out at home. Owners will learn about - and see for themselves - the mental abilities that their dog possesses, and understand their dog.
