Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A small child of early school years lives in a tight knit family of three with their older sister and brother. The elder siblings include the youngster in activities, work, hobbies and travels with them teaching the young sibling about people, places and things. Written in rhyme the child experiences new activities learning a treasure trove of varied information and understanding more too about recycling, nature and human nature (bullying) in the world they are growing into. One older sibling, Big Sis, works with the heavy hitters at the top of the fashion industry with a Lady Boss very much like American Vogue's Anna Wintour. Big Sis takes her young sibling to work in the magazine's offices, to fashion shows and to socialise with her fashion friends while the other older sibling, Big Bro, teaches his young sibling about being a chef and the joys of food and markets. Together they enjoy foreign holidays to Paris and tropical islands. They learn about trees, fruit and other cultures. This is aimed at young children up to 7-8 years old. It is also superb for schools.
