Magnetic Press, United States, 2016. Paperback. Book Condition: New. 216 x 152 mm. Language: English . Brand New Book. Set in a future, post-Eurozone Italy, entrenched in a bizarre form of hyper-capitalism, GOLEM follows a young boy kidnapped during a political protest gone sour, who learns that he has the power to not only change the city, but reality itself. This intensely imaginative political-sci-fi graphic novel is a visual tour de force, created by contemporary design icon Lorenzo Ceccotti, better known as LRNZ, whose design-influenced illustration is a lush, fluid blend of manga masters like KATSUHIRO OTOMO with western comic icons like JOSH MIDDLETON, creating a style that is wholly unique and absolutely breathtaking.
