Darwin's Children (Paperback)

By Greg Bear

Random House USA Inc, United States, 2004. Paperback. Book Condition: New. Reprint. 214 x 149 mm. Language: English .
 Brand New Book. Greg Bear's Nebula Award winning novel, Darwin's Radio, painted a chilling portrait of humankind on the threshold of a radical leap in evolution one that would alter our species forever. Now Bear continues his provocative tale of the human race confronted by an uncertain future, where survival of the fittest takes on astonishing and controversial new dimensions. DARWIN'S CHILDREN Eleven years have passed since SHEVA, an ancient retrovirus, was discovered in human DNA a retrovirus that caused mutations in the human genome and heralded the arrival of a new wave of genetically enhanced humans. Now these changed children have reached adolescence ... and face a world that is outraged about their very existence. For these special youths, possessed of remarkable, advanced traits that mark a major turning point in human development, are also ticking time bombs harboring hosts of viruses that could exterminate the old human race. Fear and hatred of the virus children have made them a persecuted underclass, quarantined by the government in special schools, targeted by federally sanctioned bounty hunters,...
