

In The Body Of The World: A Memoir

Filesize: 5.45 MB

Reviews

This type of book is every thing and made me seeking forward and more. It is amongst the most awesome publication we have go through. Its been developed in an exceptionally straightforward way and it is only soon after i finished reading this ebook by which actually altered me, alter the way i believe.

(Mrs. Serena Wunsch)

IN THE BODY OF THE WORLD: A MEMOIR

Random House Publishers India Pvt. Ltd., Noida, India, 2013. Soft cover. Book Condition: New. Playwright, author and activist Eve Ensler has devoted her life to the female body how to talk about it, how to protect and value it. Yet she spent much of her life disassociated from her own body a disconnection brought on by her fathers sexual abuse and her mothers remoteness. Because I did not, could not, inhabit my body or the Earth, she writes, I could not feel or know their pain. But Ensler is shocked out of her distance. While working in the Congo, she is shattered to encounter the horrific rape and violence inflicted on the women there. Soon after, she is diagnosed with uterine cancer and, through months of harrowing treatment, she is forced to become first and foremost a body pricked, punctured, cut, scanned. It is then that all distance is erased. As she connects her own illness to the devastation of the Earth, her life force to the resilience of humanity, she is finally, fully and gratefully joined to the body of the world. Unflinching, generous and inspiring, Ensler calls on us all to embody our connection to and responsibility for the world. Page Extent: 232.
