The reports of the above jail for the months of January and February last having shown a large increase of mortality amongst the prisoners, the Medical olhcer in charge was requested in letter No. 253 of 1866, to furnish the Commission with information as follows: --1. The length, breadth, and height of wall, and the means of ventilation of each ward in the prison, and the number of persons that slept in it on 1st January last. 2. If the food is supplied by contract, when did the present contract begin, and who inspects the grain received? 3. What difference is there in the clothing of the hot and the cold months, and at what date was the use of the warmer clothing begun? 4. From what wells are the prisoners supplied with drinking water--what is the dis tance of each from habitations, and what are those habitations--what is the condition of the ground around the wells--what are the depths of the wells--what the quality of the water? 5. Are any better wells available? ALTERATIONS AND ADDITIONS TO BARRACKS AT KIRKEE. With Memorandum No. 1286 of 1866, the Quarter Master General of the Army forwards for opinion, as to whether the amended design of the above barracks accord with the views of the Commission as conveyed in the Secretary...
