Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.CLEP Biology best seller! Last updated Dec 28, 2015. We regularly make updates to the content. The most current version is only available directly from Amazon, Barnes Noble and Sterling Test Prep. We've helped thousands of students improve their scores. This book provides over 1,500 biology practice questions that test your knowledge of all Biology topics covered in an undergraduate biology course and tested on CLEP. These questions and detailed explanations will help you to: - master important biology concepts - assess your knowledge of different Biology topics - improve your test-taking skills - prepare for CLEP Biology comprehensively and cost effectively. CLEP Biology 1,500+ Practice Questions by Sterling Test Prep is comprised of all Biology topics tested on CLEP Biology. Scoring well on College-Level Examination Program (CLEP) Biology is important for your ability to bypass taking the class and earn college credit. To achieve a high score, you need to develop skills to properly apply the knowledge you have and quickly choose the correct answer. You must solve numerous practice questions that represent the style and content of CLEP questions. Understanding key science concepts is more valuable than memorizing terms. The explanations discuss why the answer is correct and - more importantly - why another answer that may have seemed correct is the wrong choice. These explanations include the foundations and details of important science topics needed to answer related questions on CLEP Biology. By reading these explanations carefully and understanding how they apply to solving the question, you will learn important biology concepts and the relationships between them. This will prepare you for the test and will significantly improve your score. All...
