AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 274 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.If you work in a K-12 school that uses SASIxp, then this book is for you! All schools need to produce reports such as Schedules, Rosters, Progress Reports, Report Cards and so on. Wouldn t it be nice to be able to modify the design of these reports, so that they meet the needs of YOUR school? Would you like to be able to add, delete or edit the information that is going on your school s official documents? Would you like to see your school s logo on the report cards? Would it be helpful to have your school s bell schedule on the bottom of the class rosters? Microsoft Access can easily use SASIxp data files to produce functional and visually attractive reports. This book will show you the essential steps in creating these reports. Only three things are needed: student data files contained within a SASIxp database, Microsoft Access, and the courage to try something new. Anyone can use this book! The author wrote it to meet the needs of the Access beginner; no previous experience with MS Access is necessary. Even if you ve been using Access for a while, you will still find this book a valuable resource. Inside, you will find easy-to-follow guidelines that will help you: . Learn the basics of Access tables, queries, reports and macro s; what they are, how they work, and when to use them . Create and modify Access data tables to store your data . Design and create various types of Access queries . Design and produce schedules, class rosters, book bills, progress reports, report cards, honor roll reports, and mailings . Make MS Access...
