Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Augmented Reality Children s book recommended for 6-12 years old kids
***** ARBI and the Treasure Chest is the second book of
ARBI s Augmented Reality Books collection for children. The Characters come alive with your Smartphone or Tablet! They did it again! Another great Augmented Reality book for children! ARBI and the Treasure Chest brings characters alive one more time on the book! They have added Background Music which enhances the user experience while interacting with the book! Well done! I love this book. Love it. Absolutely love it. The combination of a cute story that teaches a lesson and holds a child s interest, mixed with the Augmented Reality app is something completely different for Kids . ARBI the brave knight and his friends discover an ancient treasure map drawn by a famous pirate called Woodleg. Together with his loyal companions Smellit the dog, Agick the cat, Smarlow the tortoise and Drako the dragon, ARBI embarks on a quest to find the most valuable treasure in the whole world. Will these five adventurers be able to find the hidden treasure? How will they overcome fierce pirates and other obstacles in their path? Web Page:
