DOWNLOAD

Music Sales Ltd. Paperback. Book Condition: new. BRAND NEW, Musicals in Focus (2nd Revised edition), Paul Terry, This second edition is fully revised, with full-colour images throughout, new entries on the latest musicals and a brand new index and glossary. This book explores precursors to the musical, from The Beggar's Opera, through operetta to works such as *No, No, Nanette*. It then takes you through the development of the genre, looking at changes in style during its 80-year history, and shows why a series of significant works have become so influential. It offers a series of case studies, with examples drawn from the more popular and familiar works, including *Show Boat*, *Anything Goes*, *Porgy and Bess*, *Oklahoma!*, *West Side Story*, *Cabaret* and *Jesus Christ Superstar*. Written to be of value during all music and performing arts courses that include the study of musicals - as well as to the general reader - *Musicals in Focus* is an ideal introduction for those who want to learn more about musical theatre.
