

A Textbook of Oceanography (Classic Reprint) (Paperback)

By J T Jenkins

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Textbook of Oceanography In spite of the great interest that maritime questions have for the English-speaking nations, there is no modern textbook in English on the subject of oceanography. Considerable progress has recently been made in the teaching of geography, which is now a degree course at many of our Universities. Although there are many textbooks and manuals on navigational subjects, some of which are published under Government or departmental auspices, it cannot be claimed for these works that their oceanographical (as distinguished from their navigational) instruction is at all up to date. In fact, in most of these works such questions as, e. g., ocean currents are dealt with regardless of modern methods of scientific investigation, and apparently the authors are simply content to copy from older textbooks on the subject. Consequently there is a gap which it is hoped may be filled by a book which, without being unduly technical or mathematical, will give the student an opportunity of becoming acquainted with modern methods of oceanographical research and their chief results. This book...
