University of Washington Press, United States, 2000. Hardback. Book Condition: New. New.. 237 x 162 mm. Language: English . Brand New Book. In this collection of 52 poem, Minnesota writer Richard Robbins introduces the famous persons promised in the title: Lon Chaney, Jr., buying eggs and bananas at a Capistrano Beach supermarket; Elvis slipping out/with raccoons and owls to buy pink/Cadillacs for anyone that moved him; Marshal Dillon, his head split by a surfing mishap; even Geronimo, galloping back toward nature, ruined for love. But this book is about more than famous people. From the char and kokanee-choked waters of Montana to an art gallery in Utah where the narrator doesn't meet a famous poet laureate, Robbins connects past and present, the dead and the living. He does so with sly humor, a naturalist's precision, and a potent lyricism.
