Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you really ever considered the possibility of this world as we know it today is coming to an end? Or maybe you have heard far too many false alarms to an extent that you have become insensitive to true warning? If you think as most scientists contend that this world could possibly be swallowed back by our sun some millions of years away, and you therefore feel that its end does not concern you, I urge you to think again. You could just as well be there when it is happening! Drawing from the Pure Source of Eternal Truth - the Holy Bible, this blue print of the end time brings this volatile world the saving revelation that will ultimately fill the deep void in the souls of many; and which never leaves any serious thinker in peace. It is one of the greatest spiritual works going around the world today, providing answers to our many questions and fears. The old prophecies governing the end time have been made plain to a prophet of God to all the nations of the world in this end time era, so that man may know God s mind and repent to restoration before the apocalypse. Know that it is not God s will that you die in sin and be condemned forever; neither does the Almighty God take pleasure on the death of any man. However, if you are to die and face eternal condemnation, it is simply because you loved not the truth and so be saved.
