*****. These questions are similar to the ones asked in the actual

Test. How should I know? I know, because although I have been

working as an SAP Sybase consultant for many years, I have

recently certified with the latest version of the Associate

Certification test. Before you start here are some Key features

of the Certification Exam. This certificate builds on basic

consultant skills and experience that is then refined by

practical experience during several projects. This exam

validates whether SAP Sybase focused consultants have

advanced technical skills and the ability to apply

methodologies and tools. The exam is Computer based and

you have three Hours to answer 80 Questions. The Questions

are (mostly) multiple choice type and there is NO penalty for

an incorrect answer. Some of the Questions have more than

one correct answer. You must get ALL the options correct for

you to be awarded points. For questions with a single answer,

the answers will have a button next to them. You will be able to

select only one button. For questions...
