## The End of the Long Summer: Why We Must Remake Our Civilization to Survive on a Volatile Earth

By Dianne Dumanoski

Random House USA Inc. Paperback / softback. Book Condition: new. BRAND NEW, The End of the Long Summer: Why We Must Remake Our Civilization to Survive on a Volatile Earth, Dianne Dumanoski, For the past twelve thousand years, Earth's stable climate has allowed human civilization to flourish. But this long benign summer is an anomaly in the Earth's history and one that is rapidly coming to a close. The radical experiment of our modern industrial civilization is now disrupting our planet's very metabolism; our future hinges in large part on how Earth responds. Climate change is already bearing down, hitting harder and faster than expected. The greatest danger is not extreme yet discrete weather events, such as Hurricane Katrina or the calamitous wildfires that now plague California, but profound and systemic disruptions on a global scale. Contrary to the pervasive belief that climate change will be a gradual escalator ride into balmy temperatures, the Earth's climate system has a history of radical shifts-dramatic shocks that could lead to the collapse of social and economic systems. The question is no longer simply how can we stop climate change, but how can we as a civilization survive it. The guiding values of...
