Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, Never a Hero to Me: An Innocent Girl. A Father's Sins. And the Men Who Closed Ranks Against Her, Tracy Black, Tracy Black was only five years old when her mother was hospitalised for the first of many occasions, leaving Tracy in the care of her father. His behaviour, seemingly overnight, changed from indifferent to violently abusive and, for the next seven years, Tracy was sexually and physically abused by her father, his friends and her own brother. All of the men were in the British Armed Forces. Tracy's father compounded the abuse by sending her to baby-sit for his paedophile friends - whilst their own children slept in other rooms, these men would find excuses to leave later or return earlier than their wives in order to abuse her, with her own father's blessing. When she sought help and safety the doors were closed as the authorities closed ranks. In this shocking and compelling book, Tracy Black pieces together the jigsaw of a story that has haunted her for the past forty years. She reveals the horrific betrayal of trust perpetrated by men who were considered upstanding citizens and heroes. Tracy's tale reminds us all of the terrible ways in which paedophiles work and the secrets too many children are forced to carry alone. It is only now that she can tell her full story of recovery.
