Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Revised Updated, this is a summary and analysis of the book, Get What s Yours: The Secrets to Maximizing Out Your Social Security by Laurence Kotlikoff, Phillip Moeller and Paul Solman. It includes a critique of the book s messages, presents information from other studies that discuss current and future state of Social Security, as well as a quick reference list of planning tips that might help you maximize your social security benefits. About the Author Ant Hive Media reads every chapter, extracts the understanding and leaves you with a new perspective and time to spare. We do the work so you can understand the...
