

No, They Can t: Why Government Fails-But Individuals Succeed (Hardback)

By John Stossel

Threshold Editions, United States, 2012. Hardback. Book
 Condition: New. New.. 238 x 164 mm. Language: English . Brand New Book. The government is not a neutral arbiter of truth. It never has been. It never will be. Doubt everything. John Stossel does. A self-described skeptic, he has dismantled society's sacred cows with unerring common sense. Now he debunks the most sacred of them all: our intuition and belief that government can solve our problems. In *No, They Can t*, the New York Times bestselling author and Fox News commentator insists that we discard that idea of the perfect government--left or right--and retrain our brain to look only at the facts, to rethink our lives as independent individuals--and fast. With characteristic tenacity, John Stossel outlines and exposes the fallacies and facts of the most pressing issues of today's social and political climate--and shows how our intuitions about them are, frankly, wrong: - the unreliable marriage between big business, the media, and unions - the myth of tax breaks and the ignorance of their advocates - why central planners never create more jobs and how government never really will - why free trade works--without government interference - federal regulations and...
