

# Able and Gifted Children (Primary Professional Development)

By Webster, Chris

Folens Publishers UK, U.S.A., 1998. Soft cover. Book Condition: New. The Folens Primary Professional Development series offers teachers, Heads and others working in primary education a sharp focus on contemporary professional development topics. The series is designed to give the reader a concise view of the topic, together with clear guidance for practical action in school and to provide examples of good practice. Able and Gifted Children is about identifying, meeting the needs and providing a challenge for the able child. The book addresses the potential problems and advantages associated with such children for the class teacher and school, ranging from the academic to the social and behavioural. It offers guidance on how to deal with such issues, including a breakdown of subject areas, suggestions of a support network and includes case studies.
