HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Sally, Freya North, She's bored of nice - it's time to be naughty. Sally Lomax is 25 and bored of being homely and predictable, so she's decided to give the boot to being conventional and reinvent herself as a femme fatale. This is all well and good, but she's going to need someone to practice on. Along comes Richard; suave, single and fiercely independent. She's determined to be the one great erotic heroine of his life. He's going to be her dream affair - no strings, no scone baking, just sex and sensuality. Until, that is, a New Year masked ball unmasks more than was intended.
