Rated 5 Stars - It's a fun, enlightening and instructive adventure into our oceans! Dolphins and Porpoises Children Picture Book: This fully-illustrated children's book exudes realism and insights into these endearing mammals! How often have you walked along the sea shore looking into the waves for a sight of these creatures, who love jumping the waves, or watched them perform in an aquatic park and wanted to find out more? Over the centuries, adults and children have been fascinated and entertained by the fun loving mammals known as dolphins and porpoises. There are numerous stories about people who have been rescued by dolphins and it has helped create a love for and folklore about these magnificent creatures. Watching dolphins and porpoises in their natural habitat is probably the ultimate sea-life experience. It's difficult to remain unemotional or untouched by a dolphin launching itself high into the air or the drama of a school of porpoises racing at the brow of a boat's wave.
