Healing and Rebuilding when a Relationship Ends. I am over six years past a major crisis in my life and in this time I have read many books, worked with groups and professionals and generally opened my mind and soul to a deeper dimension of living and understanding. When Love Walks out the Door? would rate amongst the most beneficial book I have read. It had more messages for me than any other book I can recall and for me has been the trigger in a personal breakthrough in self-awareness and understanding. Jan-Marie Brooke has drawn together the reaffirmation of many established ideas and the injection of new perspectives in a clear and concise way. The insights that she communicates, her brilliant expression and use of language, her personal frankness and depth of feeling have all combined to make the book a most valuable tool in my personal journey. For anyone who is seriously pushing forward with their personal development I would rate this book indispensable. Without the experiences you went through, it would not have been possible to express yourself so beautifully, so honestly and intimately. In so doing, you ve brought hope and comfort to...
