CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 82 pages. Dimensions: 8.8in. x 6.1in. x 0.4in. This book was privately published in 2002 as a limited edition to satisfy a local interest in Indians, a subject encouraged by recent archaeological excavations within Burke County. Although the following, slightly edited version is somewhat dated, it continues to provide the general reader a brief, convenient overview of prehistoric Native Americans who once lived in the Appalachian foothills of western North Carolina and Burke County. The bibliography also offers a variety of references for additional study on this topic. Hopefully, this brief encounter with our Native American heritage will encourage further reading. This item ships from La Vergne, TN. Paperback.
