Concept Publishing Company Pvt. Ltd., 2010. Hardcover. Book Condition: New. This book is on and about Rajiv Gandhi. It is, however, not a biography. It is a collection of his speeches delivered from time to time in India and abroad that reflects his multi-faceted personality and thought. As they go through the book, the readers can themselves assess what Rajiv Gandhi was and what the future had to offer through him. The book is published with the sole objective of carrying Rajiv Gandhis message to people at large, especially the youth. It would remind the other leaders of the party that unless they emulate the examples set by him, they probably would not be able to connect to the people that they seek to serve. Printed Pages: XX, 287.
