Brand New Book ***** Print on Demand *****.Excerpt from Glints of Wisdom or Helpful Sayings for Busy Moments: Being Abstract From Lectures With Reflections, Statements, Meditations, and Mottoes The shorthand notes from which this volume has been compiled were taken, and the transcription begun, with no thought beyond the personal benefit and satisfaction to be derived from their perusal from time to time. As the work of copying advanced, however, the idea of sharing my valuable collection of beautiful truths with others who are in the pathway of the higher thought became an impelling motive. While each excerpt is complete in itself, and the original intent was to cite them in the order reported from the lectures, yet, for the sake of convenient reference, they have been arranged as seemed suitable; the method of compilation and classification suggesting itself, and ultimately developing into the form here presented. A helpful, inspiring motto may be found in nearly every citation; but the grouping of several at the close of each subject, it is hoped, may aid in securing that concentration which leads to healing and unfoldment.
