AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Written during a time in my life when I was experiencing a number of life changing events, these poems express a fragile yet scientific outlook on survival and existence. In 2006 I was going through Chemotherapy for cancer, finishing a PhD in Applied Physics, and had a newborn daughter. Poetry became not just an outlook for my otherwise very literal work as a scientist, but an important part of my identity. 15 of these poems have been reviewed, or published in journals. This is the first time they appear together, as a recorded history, of the artistic journey of discovering some of life's biggest challenges.
