Franklin Covey on Brilliance Audio, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 132 mm. Language: English . Brand New. In any conflict, the 1st Alternative is my way and the 2nd Alternative is your way. The fight usually boils down to a question of whose way is better. There are many methods of conflict resolution but most involve compromise, a low-level accommodation that stops the fight without breaking through to amazing new results. The 3rd Alternative is about more than just an armistice it's about creating a new and improved reality. The 3rd Alternative transcends traditional solutions to conflict by forging a path toward a third option, a 3rd Alternative that moves beyond your way or my way to a higher and better way one that allows both parties to emerge from debate or even heated conflict in a far better place that either had envisioned. With the 3rd Alternative, everyone wins. To a world of escalating strife and contention, 3rd Alternative thinkers like those Covey profiles here bring creative solutions, peace, and healing. His wide-ranging examples include various groups and individuals as living examples of how to create new and better results instead of escalating conflict, as well as how to build strong relationships with diverse people based on an attitude of winning together. Beyond conflict and compromise, The 3rd Alternative unveils a radical, creative new way of thinking. It is a groundbreaking but practical work that demonstrates why 3rd Alternative thinking represents the supreme opportunity of our time.
