Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Since 2001, the situation in Afghanistan has afforded New Delhi an opportunity to underscore its role as a regional power. India has a growing stake in the development of peace and stability in Afghanistan; and the 2011 India-Afghan strategic partnership agreement underlines India s commitment to ensure that a positive momentum in Delhi-Kabul ties is maintained. This monograph examines the changing trajectory of Indian policy toward Afghanistan since 2001, and it is argued that New Delhi has been responding to a strategic environment shaped by other actors in the region. U.S.-led North Atlantic Treaty Organization forces are preparing to leave Afghanistan in 2014, and India stands at a crossroads as it remains keen to preserve its interests in Afghanistan. The ever-evolving Indian policy in Afghanistan is examined in three phases before implications of this change for the region and the United States are drawn. There has been a broader maturing of the U.S.-India defense ties, and Afghanistan is likely to be a beneficiary of this trend. Managing Pakistan and unravelling Islamabad s encirclement complex should be the biggest priority for both Washington and New Delhi in the coming years if there is to be any hope of keeping Afghanistan a stable entity post-2014.
