Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Health Bulletin, Vol. 54: January, 1939; Diphtheria 2, 056 Cases in North Carolina in 1937, Nature Protects Me My First Six Months With this issue the Health Bulletin enters its fifty-fourth year, the present number being Number 1 of Volume 54. It has thus completed fifty-three years of its monthly visits to the citizens of the State of North Carolina who are interested enough to write and ask that it be sent to them. This issue goes into seventy-six counties with organized full-time health department service, either on a county unit or a district basis, and in some instances with a city health department at the county-seat and a county health department functioning for the county. The reader may compare the situation in this State now with reference to public health service with this month fifty-four years ago when Dr. Thomas Fanning Wood, the first State Health Officer, issued the first number. At that time the total appropriation for the State Board of Health work was \$2,000 annually. Dr. Wood, of course, worked on a...
