### ***Reviews***

*Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Ever After, Kim Harrison, Keri Arthur, New York Times bestselling author Kim Harrison returns to the Hollows with the electrifying follow-up to her acclaimed Ever After! The ever-after, the demonic realm that parallels our own, is shrinking, and if it disappears, so does all magic. It's up to witch-turned-daywalking-demon Rachel Morgan to fix the ever-after before the fragile balance between magic users and humans falls apart. Of course, there's also the small fact that Rachel is the one who caused the ley line to rip in the first place, and her life is forfeit unless she can fix it. Not to mention the most powerful demon in the ever-after-the soul-eater Ku'Sox Sha-Ku'ru-has vowed to destroy her, and has kidnapped her friend and her goddaughter as leverage. If Rachel doesn't give herself up, they will die. Forced by circumstance, Rachel teams up with elven tycoon Trent Kalamack-a partnership fraught with dangers of the heart as well as betrayal of the soul-to return to the ever-after and rescue those she loves. One world teeters on the brink of interspecies war, the other on the brink of its very demise-and it's up to Rachel to keep them both from being destroyed.
