Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Without even knowing it, we are progressively experiencing the truth of our existence. Human rights, equality and sustainable ways of living (externally and psychologically) are powerful movements towards truth. We all want to be happy and whole in these secular, individual, yet global times. Our ancestral roots and wounds carry a deep split in our connection to the divine feminine; beginning metaphorically with Adam and Eve. Split-off from Self ! In the world, the ego and intellect has been over-emphasised as being real, whereas Self-soul-spirit is often viewed as being non-existent, feeble or irrelevant to our daily existence. This book assists readers to intuitively free themselves from captive group cultural ways, liberating one's passionate soul to be fully expressive and unique. This book honours and encourages YOUR own intuitive knowing The Serpentine way of living. It takes courage, self-honesty and inner authority above and beyond the conventions of life, to live this way. The way of and to the soul is not a rational way. Therefore, we are required to walk sincerely and intuitively through life, as if walking on the cliff's edge in alert consciousness, observing it all. We travellers of the soul way need encouragement and wise mirror persons to help us recognise and trust Self within as our guide and identity. . .eternal truth needs a human language that alters with the spirit of the times. C.G. Jung This book will empower readers in their incredible, mystical and healing journey; the heroine's and hero's journey towards Self, love and freedom.
