Dmitry s books have one surprising feature: the main character describes their works and presents them. The author allows his heroes to speak and act for themselves, revealing their characters. This book is based on the confessions of a man to whom God has entrusted rather an unusual ministry: financial support for people who do God s work on Earth and who find themselves in difficulties. The book describes in vivid and memorable detail the lives of ministers of religion and people of faith-people who have not lost their trust in the Lord, even in moments of crisis. Every page of this extraordinary book is suffused with the miracle of God s deliverance. The author encourages his readers to believe that trusting in God will purge us of all misery in a miraculous way. This book is written for those who love Jesus Christ and those who are embarking on their journey towards God.
