Katona had an epiphany about Spirit in December 2010, which led to writing his book Drive 58 Days Around Emmet Fox. Although this is a spiritual book, it does not present a recipe or formula of how you must live. I loved someone with an incredibly pure and unbearably strong love .and then came the strange feeling about God. Then the author met with Presence. At first, I didn t know what to do with that incredible feeling. Katona discovered a new horizon that has given him strength, assurance and joy. When it comes to the religions of the world, Katona urges everyone to be alert when talking with someone, because that someone could be Buddha or Jesus or .This is his prayer: I got no race, I got no nation, I got no sex, I got no religion. I m waiting for the sun to radiate our faces, after we survive this long solar eclipse.About the Author: L. L. Katona is a translator from Hungary.
