Whitechapel Productions Press, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In his first book on the hauntings of Louisville, Kentucky, Robert Parker, creator of the Louisville Ghost Walks, explored the ghosts and spirits of the city for the very first time. Now, in this chilling sequel, he takes readers into places where the bright lights of the downtown district cast long shadows. Travel along some of some of Kentucky s rural back roads and explore some of the quaint, bed and breakfast inns with resident ghost that just make keep you from enjoying a restful night. Dine at the restaurants where not all of the customers are of this world. Looking to be entertained? So are the ghosts! Let the author take you to a few ghostly venues where among the applause and laughter, the moans and cries of the dead might also be heard. This is another enthralling book, filled with accounts that have never appeared in print before from such spirited locations as John E s Restaurant, Doe Run Inn, Brown Hotel, Poet s House Bed and Breakfast, Louisville Gardens, Smyrna Inn, Dillon s Steakhouse, the Landmark Building, Jailhouse Pizza and many other places. It s another must-have title from the man who put Louisville on the map as one of America s most haunted cities!.
