Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.India is not merely a land of mystery and wonder, but a land also of culture and of high thinking. Philosophy nourished there at least before the time of Homer; and the same problems which afterwards engaged the minds of Grecian philosophers, and which engage the minds of modern thinkers, had ages before occupied the attention of Indian sages. To this ancient philosophy of India the little volume before us forms a very good introduction. The treatise consists of three parts; the first being a brief outline of the history of Indian philosophy; the second treating of the connection between Greek and Indian Philosophy, and the third discussing Hindu Monism. Six great systems of philosophy flourished in India during the millennium before Christ, in which the problems of existence are discussed with an acuteness and wealth of illustration that have never been excelled. And the influence of the mental life of the Hindus, in those far-off times, affected the thinking of the Greeks, and through them the thinking of the modern world. The Ionic doctrine of elements, the...
